April 11, 2025

Dear Horry County High School Counselor,

Horry County Pearls, Incorporated, is pleased to announce its 2025 Scholarship Program for graduating seniors in Horry County Schools. This year, our foundation will award three one-year scholarships for $1,500 each to those enrolling at a two-year or four-year college/university.

The application and letter of recommendation Google Forms are linked here. These forms can also be found on our website, www.miocenterhcp.com. All applications will be screened based on academic achievement, financial need, leadership, character, and community service. The application and all materials must be submitted electronically by April 30, 2025, to be considered. Students may apply for only one scholarship. Incomplete applications will be disqualified. All awards will be dispersed to the college or university that the recipient will attend in the fall. Horry County Pearls, Incorporated® reserves the right to withhold scholarships if false or misleading information is submitted.

We are excited about this opportunity to provide these scholarships to students in our community, and we appreciate your assistance in ensuring they receive the information to apply. Please contact Sherry Davis, Scholarship Committee Chairperson, to answer any questions regarding our Scholarship Program via telephone at (954) 809-8017 or email at hcpscholarship@gmail.com.

Thank you again for your assistance in helping us to facilitate our Scholarship Program.

Sincerely,

Dr. Jacquelyn A. Comeaux
Chairperson
Horry County Pearls, Incorporated®
