May 25, 2021

Dear Parent/Guardian;

We are excited to announce that the Paulsboro Public School District will be providing a new and exciting summer program for our students. The **Jumpstart Program** will be offered free to students in grades Kindergarten through Sixth Grade and will provide additional instructional support as well as enrichment activities during the summer months.

The **Jumpstart Program** will begin on **Monday, June 28th** and runs through **Thursday, July 29th**. Students will attend **Monday through Thursday** from **8:30 AM - 11:30 AM** at **Loudenslager Elementary School**. This program will be held in-person and for the safety of our staff and students we will follow all COVID-19 protocols and guidelines.

Students who participate in the **Jumpstart Program** will receive intervention and instructional support in the areas of Mathematics and Language Arts, and will also participate in enrichment activities such as Art, STEAM, Technology, Physical Education, and Music. It is our hope to not only provide additional academic support, but to provide a fun and engaging learning experience for our students after a difficult and challenging school year.

Parents who are interested in registering their child for the **Jumpstart Program** should use the electronic registration form link below or copy/paste the web address into your Brower.

[Jumpstart Registration Link](https://forms.gle/GfKcLao7pL45ZMTi9)

<https://forms.gle/GfKcLao7pL45ZMTi9>

You will receive a phone call to provide you with additional information about the program including your child's summer program teacher prior to the start of the program.

We are excited to be able to provide this important program this summer, and encourage you to contact us with any questions you may have.

Sincerely,

Mrs. Tina Morris
