Hey man, I am sorry to see that you have decided not to pay. No reply from you for a month. I have been in a similar situation before but I haven't expected that you are one of those people. Please reply! I hope you are well and that you will pay soon.

Seriously? You don't see the previous emails?

I am the guy who was writing for you and you owe me 300 usd. Yesterday you said that you will first pay 100 and then 200.

So once again it is 300 that you owe me for writing services.

I see that you are acting like you don't know what I am talking about.

If you don't pay till the end of the month, I am going to post it to the forum with the evidence, as per the forum rules.

I really hope you are not one of those scum people who decide not to pay.

When are you going to transfer \$302 to my BTC address?

You can pay Paxum as well if you want, I don't care.

Ok so you don't want to pay, no problem. I will be posting about this on gfy and other forums about this with the evidence, as per the rules. Feel free to comment there why you decided to avoid paying for 4 months. Even now you are playing child games, pretending you don't know who I am, even tho only 1 day bef will pay \$100 and then the rest. I will send you the link to the forum posts so you can say what you have there.
