

Subject Line: Our Students Climb 3 Times Faster!

Are you still frustrated about Your current rank?
You can't climb higher because of "teammates"?

A couple of years ago we had the same problem as You. We can't climb higher and faster.
First, you need to know that teammates aren't a real problem!

If you are stuck in any rank, the real problem is that You repeat some mistakes repeatedly.

If you stop making one simple mistake, you will rocket up with your rank really fast!

97% of our students start climbing after the FIRST session.

If You want to improve as a player and are highly motivated, we guarantee you will climb with
Us.

Our coach will show You your mistakes and how to remove them.

Don't waste time. Other players won't wait for You!
