

2/13 CSC Meeting Minutes

In Attendance:

- CSC Members: Marti Rosenberg, Andreas Schmid, Natalie Shah, Haruka Fushimi
- Community Members: Frank Bingham

TOPIC	DISCUSSION
Agenda	• Warm Welcome • Transition Plan for Steele Mentor Program • Transition Plan for Recruitment
Transition plans	• Think about using PTA volunteer structure to help generate volunteers for Mentor Program. • Recruiting could also live within PTA, which helps with continuity and also enables a wider group of participating from parent volunteers. • Someone from CSC could volunteer to be on those teams. • Add this topic to the May CSC agenda, as we'll have new CSC members then, and perhaps they will want to volunteer.
Other	• Start thinking about CSC elections, which will be the topic for next month.
Next Steps	• Marti will talk to PTA about forming subcommittees for recruiting and mentorship program.
