

1. Our Netherlee staff consider our families' unique circumstances and meaningfully engage with them.
2. At Netherlee, we involve our families in different ways in order to meet the needs of all learners.
3. Our Netherlee staff understand and use the principles of Getting it Right for Every Child (GIRFEC) to benefit all our children and their families.
4. At Netherlee, we value feedback from our families and use this to evaluate our practice.
5. At Netherlee we monitor and evaluate children's learning and progress by working in partnership with our families.
6. At Netherlee, our families contribute to and engage in the life and work of our school and nursery and this helps us to get it right for every child.
7. We have forged positive relationships with different agencies and our local community to support learning in our school and nursery.
8. We all work together to actively promote equality and diversity within our school and nursery communities.
9. To ensure that all of our families feel welcomed and included in the life and work of the school and nursery, our Netherlee community works hard to remove any barriers to learning.
10. At Netherlee, literacy, numeracy and health and wellbeing are firmly embedded through our daily practice to support our children and their families.
