### E-blast

Take the **\*NEW\* Coronavirus Dance Impact Survey** today!

Dance/NYC issued the first **Coronavirus Dance Impact Survey** in March at the beginning of the pandemic. We need your help to better understand the persisting effects of the pandemic on the dance community.

Your previous responses have helped Dance/NYC advocate for the needs of dance workers and dance organizations across the sector impacting policy, funding, and visibility for the dance field.

Please take the [follow-up survey](#) today! It should not take more than 10 – 15 minutes of your time. If you are an [individual dance worker](#) and also run an [organization or fiscally sponsored group](#) you are welcome to take both to ensure your experiences are represented in the data.
