Final Exam Information:

- Students must remain in their classrooms for the duration of the exam block in order to maintain the integrity of all assessments and provide optimum opportunity for success for all students.
- Exams will count 20% of the student's final grade.
- Exams will be averaged into the final grade and will impact the final course average either positively or negatively.
- If a student does not take the exam, their teacher may enter a zero into the course average.
- Seniors with a C average or better in a course with a teacher-made exam are exempt. Attendance and tardiness do not factor into this exemption. No underclassmen are exempt from final exams. This does not apply to CTE Teacher-Made POL's.
- Students in Virtual Academy will take the teacher- made exams virtually. State exams will be taken on Wakefield Campus.
- EOC testing can only occur on devices managed by WCPSS. Remind students to bring their WCPSS devices daily and start them on campus at least once a week to maintain updates. Students should report any issues with their devices to the media center ASAP.
