

Invitation To Serve On the Community Council

Parents, the purpose of this message is to invite you to serve on the Community Council at Minersville School. This council is made up of parents, teachers, and the school principal. Together, as a team, we decide how to best allocate state Land Trust funds which are distributed each year to schools in Utah. This year, Minersville School has been allocated approximately \$ 23,773.85 for our Elementary and \$11,292.58 for our middle school, for the school year 2024-2025 to spend towards student and school improvement. This coming year, the money is going towards hiring classroom aides, and student curriculum resources. If needed, elections for community council vacancies occur in the Fall of each new school year. Community Council members serve for a two year term. Please contact the school Principal if you are interested in becoming a future member of the Community Council. Thank you!

Principal Brian Hollingshead
