

Assessing Student Work: Newsletters

[Examine the three examples of newsletters created by fifth grade students.](#) The assignment was simply “create a newsletter about yourself.”

After looking at each, discuss:

1. What things did you like and not like about each of the newsletters.

Likes	Dislikes
Newsletter One - M&M Monthly	
Newsletter Two - Family, Friends & Myself	
Newsletter Three - Gonzales News	

2. How could the assignment itself be clarified?

3. What quality criteria would include in checklist by which students could assess their own work?
