Stop sharing videos of Black people being murdered. "Seeing all sides" doesn't mean watching someone's murder. Believe Black people. It's gratuitous and exploitative. Imagine being his kin right now.

[What to do if ICE comes to your door](#)

- ★ Do not open doors: ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them in.
- ★ Remain silent: ICE can use anything you say against you in your immigration case so claim your right to remain silent ("I plead the fifth amendment and choose to remain silent")
- ★ Do not sign: Don't sign anything ICE gives you without talking to an attorney

- ★ Report and Record: Take pictures and video unless you're on federal government property. Take notes of badge numbers, number of agents, time, type of car, and exactly what happened (UWD hotline 1-844-363-1423)
- ★ Fight back: Get a trustworthy attorney to explore all options to fight your case. If detained, you may be able to get bail - don't give up hope! Join your local team to defend yourself from enforcement!

Contact Officials

GEORGE FLOYD is the name of the man who was murdered by DEREK CHAUVIN (badge 1087), TOU THAO (badge 7162), Thomas Lane, and J Alexander Kueng. If you truly care about getting justice, make phone calls to these numbers and express your anger. We cannot let another killer cop walk free.

UPDATE: As of May 29, Chauvin has been charged for third-degree murder. Continue pressuring officials for harsher charges because what he did was clearly not an accident. Also continue pushing for the other cops who were at the scene to be charged.
