

PHS STUDY HALL EXPECTATIONS

- Students must get a pass to the library or another classroom prior to study hall.
- Students must report to the study hall and check in before signing out to leave for the location identified on their pass.
- Students may not leave to go to another location without a pass.
- Students must report to the study hall prepared with all of their materials.
- Students must work on assignments for at least half the period. If students do not have work to complete they can read silently for half the period.
- Cell phones and use of electronic devices may be used at the discretion of the study hall teacher once students have completed their work or worked for at least half the period.
- One student may sign out to use the bathroom at a time. Students must report immediately to the restroom and then report back to the study hall. Abuse of the time will result in hallway restriction and staff escort in the event of an emergency.
