

Mikki Drawings Commission Info

*So, I decided to do commissions because you seem to like the idea ^^'
Before dm-ing me about this, make sure to read everything written down here !*

What will I draw

I will draw:

- Humans, Humanoid Creatures (merfolks, angels, ...), Humans with a few animal characteristics (as ears or tail)
- Male and Non-binary characters. Women are okay but keep in mind I'm an mpreg artist.
- Mpreg, Nbpreg ; male or nb stuffing or other "round-shaped belly" inflations
- Canon characters and OCs
- mlm, nbml, nblnb and mlw pairings (I can draw women but just as a side character and I'm not really experienced at drawing them ^^')
- SFW (no ass, nor vagina, nor penis. I can draw milking but that's the most I can do)

I won't draw:

- Furies, dragons or any intelligent humanoid creatures with bestial traits
- Children
- Incestuous or Minor/Major pairings (for the last, I can draw 18/17 pairing if the preg/stuffed one is the major, we can still debate but I won't accept 17/21 for instance)
- Non-belly art or any "not round-shaped belly" inflations
- IRLs
- NSFW
- Big breast expansion

Important rules

- You can only pay me via PayPal, this is the only transaction I'm used to. You'll get my email only just before paying.
- References are **mandatory** for backgrounds. For character poses no, BUT I'll show you the pose I want to do before drawing and I need your agreement to start drawing. NEVERTHELESS I prefer if you choose the pose ^^'
- For OCs, I **need** a reference, of course. For Canon I can search them on the internet but I **prefer** if you send me links.
- I'll accept your payment only **after I finish the sketch**. When I'm finished with the sketch, I'll send you the drawing and I'll ask you if you like it.
- I'm busy with college so I'll take up to 30 days to realize your sketch. If I go over this limit, I'll give you news about it. If you receive nothing after the 30 days, **please send me a DM**, I tend to forget things ^^'

- You can cancel when you like before the payment.

Privacy

About privacy, your commission will be top secret (for me ; you can tell anybody you commissioned me if you want to) until I'm finished with it.

Once the drawing is finished, I'll ask you if I can post it:

- If you want to keep it **PRIVATE**, I won't post it on my Twitter, Tumblr and DA. BUT, you **don't have the right** to post it in public. You can post it on private accounts or private chat of course but make sure to **credit me**.
- If you want me to make it **PUBLIC**, it will be post on my Twitter, Tumblr and DA. You have the right to repost it everywhere you want but you **have to credit me**.
