Pricing and Payment

Cannabis prices vary according to product category, brand, package size, THC or CBD content, production method, and current promotions. Customers may find both affordable cannabis Aurora selections and premium cannabis products in different categories.

THE WOODS

Factor	Description
Product Type	Flower, edibles, concentrates, vapes, oils, beverages, capsules, and CBD products have different pricing
Brand	Premium and value selections may have different price points
Package Size	Weight or quantity affects the total cost
THC/CBD Content	Potency and formulation may influence price
Promotions	Eligible limited-time offers may reduce pricing

How Much Does Cannabis Cost?

Cannabis prices differ significantly by format and package size. A small package of flower, a vape cartridge, an edible, and a concentrate should not be expected to have the same pricing structure.

THE WOODS

Customers can use the online menu to compare current prices within each category. Final prices should be confirmed through the store's official ordering system.

What Affects Pricing?

Brand, cultivation or production method, product type, package size, cannabinoid formulation, and market availability can all affect pricing. Premium cannabis may cost more because of genetics, processing, packaging, brand positioning, or limited supply.

Higher listed potency does not automatically mean a product is better or more suitable. Customers should consider the full product profile.

Are Promotions Available?

Promotions may be available when permitted by Ontario cannabis regulations and store policies. Offer periods, eligibility, and participating products can change.

Customers should review the current online menu or contact the store for accurate promotional details. Promotional claims should not be assumed without confirmation.

Which Payment Methods Are Accepted?

Accepted payment methods may include debit, credit, or other options offered by the store. Payment policies can change, so customers should review the official location information or contact the retailer before visiting.

It is especially useful to confirm payment options when collecting an online order.
