

Congratulations Seniors of 2027! The Lowacadian staff has a few specifications for Senior Portrait Pictures submissions:

SENIOR PHOTO DUE DATE: **October 8, 2026**

*This due date ensures that we have enough time to complete the Senior portion of the Lowacadian and send it in to Josten's for publications.

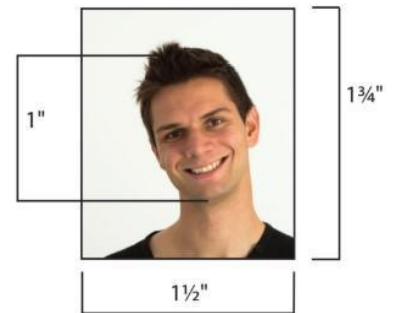

*You should plan on getting your Senior pictures as soon as possible- due to the turnaround time for most professional photographers.

HOW TO SUBMIT YOUR DIGITAL PHOTOS:

1. Via Email: Krotondi@lowvilleacademy.org
2. Have your photographer send the image of your choice to the above email

A few Specifications to consider:

1. Digital Photos are required in .jpg format and can be submitted to krotondi@lowvilleacademy.org
2. Please submit photos in highest resolution possible
 - a. 300 dpi resolution or higher
3. Appropriate dress is required. No hats, sunglasses, pets, or distracting props.
 - a. **These photos may be used for publication purposes throughout the school year**
 - b. Students should wear appropriate clothing. Avoid uncomfortable, overly branded, or graphic clothing. No undergarments should be exposed.
 - c. Since the senior photo will be cropped from the mid chest up, you don't have to worry about any clothing choice from that point down.
4. The photo submitted to the Lowacadian should be a color photograph, head and shoulders only, the senior should be looking directly at the camera. Portrait orientation is preferred over landscape orientation. Please no arm above the head poses.
5. If your Senior Picture does not meet the requirements, you may have the option of having your photograph taken at school by our photographer at no cost or replacing it with another one meeting our guidelines. If you have any questions, please see us in room 1308.

Will **NOT** be accepted (and why):

Reason:
Pet in picture
Blurry
Full body picture

Reason:
Not looking at camera
Shadows on face
Black and white

Reasons:
Hat
