October 23, 2026

Dear Families,

Late Thursday afternoon, October 22nd, we received the tragic news that our World Language teacher, Megan Thill, passed away unexpectedly.

Thank you for your care and patience this week as we took the time to support staff and develop plans to move forward together as we prepare to welcome students back on **Monday, October 26, 2026**.

We also want to express our gratitude to our wonderful community of support who offered services, food, care, and encouragement.

Over the next few days, if you need support talking with your child about their grief, we encourage you to connect with any of the resources available on the following page.

If you anticipate your child needing additional support upon their return on Monday, please email Dr. Roveto at RRoveto@RSU13.org. You are also welcome to contact your child's counselor or administrator by email or phone on Monday.

With much care,

Jesse Bartke
Oceanside High School Principal
