

Book Search: Cabrillo Library

1. From the Library homepage, select Search or OneSearch

2. From OneSearch, go to **Advanced Search**

3. Search for **Social Science** as a **Subject**. Add keywords to narrow down your results.

4. Refine your results by **Date** and **Format**→ **Books**

5. Select a print book or an eBook. Record your notes about the book.

APA citation

Notes

- What other books are on the shelf in the same area?
- Who is the author?
- Who is the publisher?
- Review the table of contents & the index. How might you use these for your book review?
