

Phrenode – Privacy Policy

Effective Date: 02/10/2025

Your privacy matters to us. This Privacy Policy explains what information we collect, how we use it, and your choices.

1. Information We Collect

- **Account Info:** Your email address.
 - **User Content:** The text you scan, notes you add, personal thoughts, and the AI summaries or takeaways generated for you, all of them are fully encrypted.
 - **Device Info:** Basic technical details to improve the app.
-

2. How We Use Your Information

We use your information to:

- Provide Phrenode's core features (scanning, organizing, summarizing).
 - Send confirmation emails, app updates, and promotions.
 - Improve our services and user experience.
-

3. Sharing Your Information

We do **not** sell your personal data.

We may share your information only with trusted services that power Phrenode's features:

- **Google Vision API** (to scan your text).

- **OpenAI API** (to generate summaries and takeaways).

These services process your text temporarily to provide results but do not store or own it.

4. Data Security

- All **scanned text, personal thoughts, chapters, pages, summaries, and takeaways are fully encrypted and only visible to you** inside your Phrenode account.
 - We use security measures to protect your information.
-

5. Your Rights

You have the right to:

- Request deletion of your account and all associated data.
-

6. Children's Privacy

Phrenode is not directed to children under 13. If we learn a child under 13 has created an account without parental consent, we will delete it.

7. Changes to This Policy

We may update this Privacy Policy. When we do, we'll post the new version in the app with the updated date.
