

Week Of: May 24, 2021, Full Remote UE, 4th Quarter

Last week of school! We made it!!

This year has been a bit of a whirlwind to say the least. We've all grown in so many ways! I have enjoyed working with each of your students and am very proud of all they have accomplished. Thank you for welcoming me into your homes on countless zoom lessons! I certainly will never forget this past year and the special students I taught during such different times. I feel hopeful and excited for our adventures ahead.

I wish you all a wonderful summer and I look forward to seeing you next school year!

Some of the topics we will cover this week are: roller coaster engineering and design, writing challenges, mindfulness, watermelon recipes, visiting Ripley's Aquarium, and traveling through history.

Check it out! Be sure to check the google calendar for updated zoom schedules.

Live French lessons with Ms. Elise are on Monday at 1:30 p.m. and Tuesday at 8:50 a.m. this week.

We will have a school wide magic show on zoom on Tuesday at 10:00 a.m.

Students will present their passion project on Wednesday during our morning meeting!

Enjoy the spring edition of the Literary Arts magazine our full remote learners put together!

Please be sure your student is working in the google classroom and checking in with me everyday so they can be counted present. Here is a link to our full remote attendance policy.

Please let me know if you have any questions. We have a half day on Friday!

Fondly, Ms. Kelly
