## **II. For French Immersion/Francophone Dual Dogwood**

French Immersion students can earn both a British Columbia Certificate of Graduation (Dogwood Diploma) and a Diplome de fin d'études secondaires en Colombie-Britannique.

In order to graduate with both diplomas, French Immersion students must meet the graduation requirements for the Dogwood Diploma, and of these 80 credits, French Immersion students must earn:

- At least 16 credits at the Grade 12 level (including Francais langue seconde - immersion 12)
- Francais langue seconde-immersion 10
- Francais langue seconde-immersion 11 or IB French A2 (SL) 11
- Francais langue seconde-immersion 12 and take the Provincial Exam, and
- At least 12 credits in Grade 10, 11 or 12 courses that are in French with at least four of these credits at the Grade 11 or 12 level. (Note: Graduation Transitions does not count toward the additional 12 credits of courses taught in French requirement.)

## **III. B.C. Adult Graduation Diploma (Adult Dogwood)**

Students over the age of 18 have the choice of pursuing graduation through a Dogwood Diploma or an Adult Dogwood Diploma. Learners must be 18 or older to be an “adult learner” and take courses as credit towards their Adult Graduation Diploma. Courses can be taken at school district continuing education centres, or as part of the Adult Basic Education (ABE) program at a post-secondary institution.

To graduate with an Adult Dogwood, learners must have:

- a Language Arts 12 course (or higher);
- a Math 11 or 12 course; and
- at least three additional Grade 12 electives, or
- Social Studies 11 and two additional Grade 12 electives.

Courses and credits can be counted from the public secondary and post-secondary systems provided they have met the criteria for equivalency. Adult learners may also get credit recognition for current or past work skills or competencies or for post-secondary training courses they have completed.

Adult learners are not required to complete the Graduation Numeracy or Literacy Assessments.

## **IV. International Student Graduation Credit**

To earn a Dogwood Diploma, international students must meet all graduation requirements and demonstrate competence in one of Canada’s two official languages.

There are a number of specific conditions that pertain to international students. They must earn credit for courses from a British Columbia certified teacher as per the International Student Graduation Credit Policy.

No Equivalency review or Challenge process is permitted for these courses.

## **For those students who are not able to earn a Certificate of Graduation:**

### **Completion Certificate-B.C. School Completion Certificate (Evergreen)**

There are no changes to the Evergreen Certificate. The Evergreen Certificate does not represent graduation and therefore is not equivalent to a B.C. Certificate of Graduation (Dogwood Diploma).

It represents the completion of personal learning goals as identified in the student's Individual Education Plan (IEP).

The Evergreen Certificate is intended to celebrate success in learning and accomplishments of diverse learners. To be eligible for a school completion certificate, the student must have an IEP and be designated in one of the Ministry of Education's inclusive education categories.
