Hey! You can't be so arrogant even if you are handsome! The image of a bossy CEO is totally ruined! The characters are rich and handsome, yet they don't even know how to treat women! The most annoying thing is the heroine! Does she like to be abused? A love story with such a scumbag! I don't like it at all!

(Shi Baba wakes up to a knocking sound at her door.)

yawn Who is it?

(Shi Baba (as Chuhan) goes to the door, sees Shen Mo, balls up her fist, and gets angry)

YOU SCUMBAG!!!
