

Into the Wilderness

Do I know?
Can I see?
And yes: I feel,
Can't you see?

Can I be?
Oh just be
Can I be?

It's so still,
It's so calm,
It's so free in my mind,
There's no thing.

Will you come?
Stand next to me.

Will you touch me?
Hold my hand as we go,
Through the Wilderness,
Through the Wilderness,
Into this big world,
Into this big world,
Into this Big Wide World,
Into the Wilderness.
