

## **Whittier Elementary Equity, Diversity, and Inclusion Committee Anti-Racism Resources**

Whittier Elementary PTA and the Equity Diversity and Inclusion (EDI) Committee stand with our Black and Brown community members in the fight for racial justice. We hope this list of anti-racism resources will help foster conversations at home as we work to raise anti-racist children.

This is a living document. Whittier families are invited and encouraged to suggest other resources not listed here.

### **March 18, 2021:**

The Whittier PTA stands in solidarity with our Asian, Asian-American, and Pacific Islander students, families, teachers, and community members. We condemn the recent and increasing incidents of hate, discrimination and violence that harm these communities in Seattle and around our country, and remain committed to working toward an inclusive, anti-racist future for everyone.
