Careers in School Services

There are many programs to pay for degrees to earn the knowledge to serve students, including school psychologists, special educators, speech-language pathologists, and more. Visit the statewide programs at <https://opi.mt.gov/Educators/School-Climate-Student-Wellness/Special-Education#10963313032-recruiting-and-retention> and the associated links within.

IRIS

Looking for ideas and trainings that can be done online for free at your own timing, the look towards the IRIS which cover a variety of topics. Head to <https://iris.peabody.vanderbilt.edu/pd-hours/earn-pd-hours/available-modules/> to get started.

Screening

If you have concerns about your student, screening is still available even though the Child Development Clinic dates have past. If your child is younger than 3, contact Early Childhood Intervention 281-5885. If your child is already 3, but has not entered kindergarten, call the Cooperative at 322-5298. If your child is between Kindergarten and 12th grade, call the school district where you live.
