

Steps to Ensure Your Staff is SEI Endorsed

Present information about SEI Endorsement and pathways to all staff. $oldsymbol{2}$

Disseminate information from district or talent team around SEI sources to ensure that staff are completing their pathways to endorsement on time. ន

Support staff studying for the SEI MTEL by connecting them with those who have successfully passed the test. Consider setting up study groups.

Monitor SEI Endorsement progress for each individual you manage, using the Master Certification Tracker from Talent Team as a starting point.
