Brian Boehm - Athletic Director

We are very excited to announce that the Affton High School Athletic/Activities Department has partnered with FinalForms, an online forms and data management service. FinalForms will be taking the place of HealthyRoster as we phase the application out. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update. It is going to ask for your date of birth and that is required to reset your password if you ever need to do so. Each section on your dashboard will be marked **Red**-Not started, **Yellow**-Started and Not Completed or **Green**-Completed

We are asking the parents/guardians of all students planning to play sports, cheer or participate in Band to create accounts in FinalForms and register your student(s).

Click on the Parent Playbook (link attached below) to get started in FinalForms. If you require any support at any time during the process, scroll to the page bottom and click "Get Help".
