Mr. Dalebout's Purpose Statement

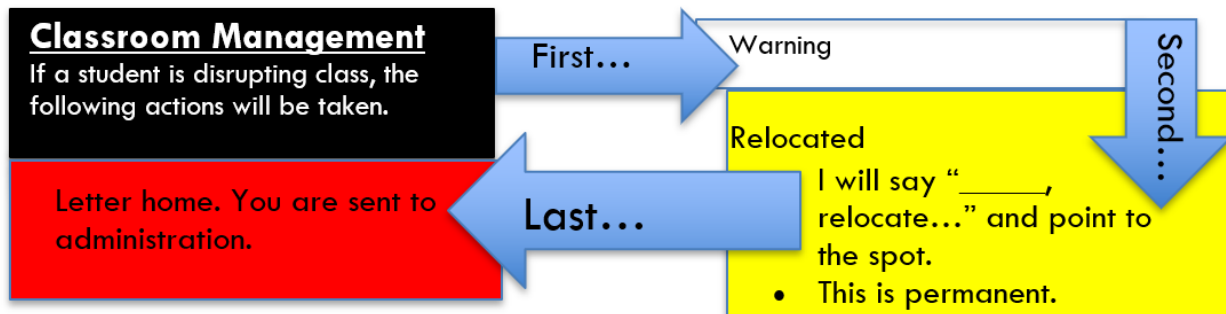

My purpose is to guide students toward a life of purpose and long-term flourishing. I want to inspire them to serve their community with their gifts, observe the world more deeply, and express themselves more effectively. I want them to practice inclusivity and kindness, while still pursuing truth and being authentic to who they are.

Welcome to Mr. Dalebout's class!

Congratulations, you are one of fifty 9th graders that is in my class. I am excited to be here with you as you start your high school experience. I have been teaching World History II for 11 years and it is now a well oiled machine. You will be learning about modern history, from 1492 to present. But more importantly, you will be learning how to be a historian; how to think critically, how to use evidence to make an argument, and how to be a better speaker, listener, writer, reader, and a better person in general.

9th grade is a strange time where kids are trying to be adults, but still secretly enjoy the little things. That's why I encourage birthday treats in my class. **If it is your child's birthday, please feel free to send in birthday treats.** I have 26 kids in the class. Less messy foods are preferable (such as cookies or Rice Krispy treats for example). **Please write the date and what treat you will bring below under comments.**
Thanks!
