Possible Issues/Solutions in Group Work

- One person seems to understand better than others in the group and goes too fast in their work/explanation
 - ..
 - ..
- No one knows what to do and you all stand around awkwardly
 - ..
 - ..
- One member suggests an approach but the other group members dismiss it
 - ..
 - ..
- Your group finishes early and is standing around awkwardly

- ..
 - ..
- One member doesn't say anything and is standing back from the group
 - ..
 - ..
- One member is always the first to suggest an idea
 - ..
 - ..
- You spend a bunch of time following an approach that turns out to be wrong, and you don't have time to finish.
 - ..
 - ..
- You are confused but feel uncomfortable asking a question, or aren't even sure what to ask
 - ..
 - ..
- The group tends to just accept the first suggestion made
