**Title:** One World, One Day

**Author:** Barbara Kerley

**Grade Levels:** TK/K/1

**Global Competence:** Analyze cultural influences, connections, and contexts

This beautiful photo book follows the course of one day in our world. Sunrise to sunset is captured in the essential things we all do daily, wherever we live in the world, and in the different ways we do them. The first meal of the day will take on a whole new dimension for American kids as an American pancake breakfast is contrasted with porridge in North Korea and churros in Spain.PP

After reading the book with your child, discuss your daily routine compared to everyone in the world. Some things to talk about are, What do you do when you first wake? What is your morning routine? Do you think all kids get to go to school? What do they learn? Do they all get to school the same way?
