

Ask to Upgrade

REQUIRES THE [XML INJECTOR MOD!](#)

Ask to Upgrade

Ask NPCs to Upgrade Objects for you. They will upgrade the Objects (all Upgrades available) but it will cost you & earn them Money (except if they are Butlers)

How this Mod works:

You'll find the Option under Upgrades if a NPC is available. Make sure they can reach the Object (unlocked Doors, invited in etc) or else you pay for nothing!

Wait till they finish one Object before asking them to upgrade another!

There seems to be an Issue with the original Upgrade Interactions where they don't finish the Interaction (Takes forever). This is a Game Issue and not a Mod Issue.
