

Name: _____

School: _____

Directions:

Use the chart below to take notes as you visit businesses within the career clusters.

If you need a conversation starter.....

- ☐ About how many people are employed in your company?
- ☐ What kind of education or credentials are typically needed to work in your field?
- ☐ How much is a typical starting salary in your career field?
- ☐ Over the next five years is the demand for jobs in your field expected to decline, stay the same or grow?

Business or Organization
