

KITTYSKELETAL'S COMMISSION INFO

Terms of Service

1. I work using PayPal invoices, and require payment upfront, although I'd be willing to work out a payment plan if you can't pay it all at once.
2. I reserve the right to deny any commission for any reason.
3. I can draw any species, humans included. Please provide a visual reference, not a written description. I only take SFW commissions.
4. If you change your mind about commissioning me before I finish the piece, I can issue a full or partial refund depending on how much of the piece is done.
5. If you have something specific in mind or a short deadline, please tell me! Upon request, I am more than happy to offer step-by-step updates for you to approve between each stage of the process.
6. The client is allowed to repost the finished product as long as I am properly and visibly credited. The client retains the right to their own character, and I retain all rights to my own art.
7. By filling out a form, you are agreeing to these terms.

Icon- \$40

Note: it doesn't have to be an LGBT icon, it just so happens that my best examples were done for Pride month/my charity campaigns!

Fullbody- \$60

Full piece- \$120

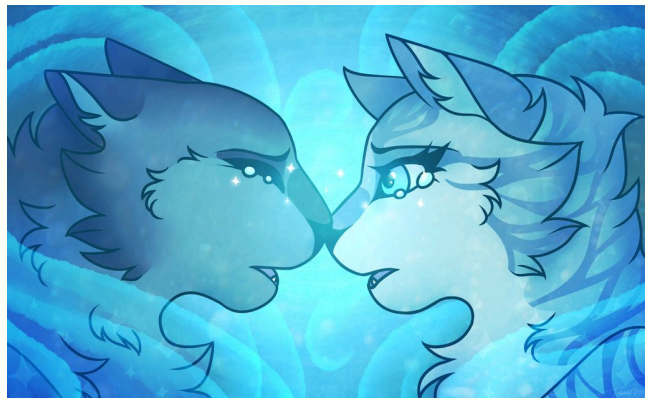

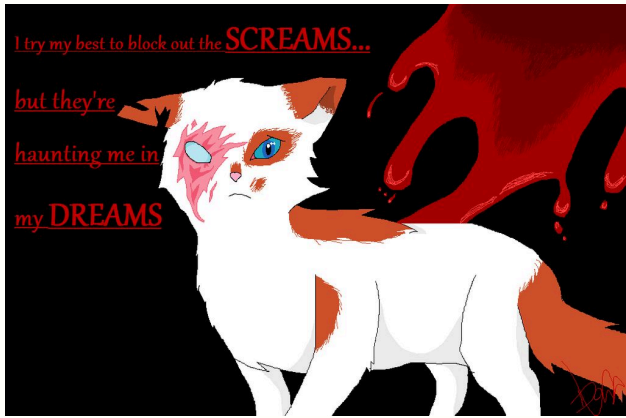

Examples:

Art redos- price varies, see previous examples

You send me some of your old art, and I'll redo it in my style, keeping the composition and general color palette intact! The price depends on the piece you want me to recreate- a drawing of just a character's face would be the price of a headshot, a fullbody would be \$60, a full piece would be \$120, etc.!

(top examples are from 2013, bottom examples are from 2018 and 2016, respectively)

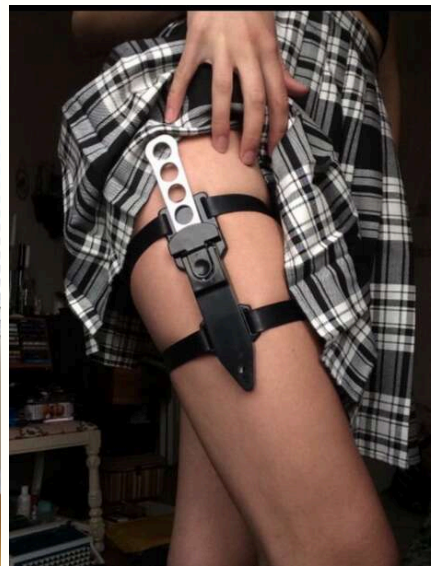

Custom tarot cards- \$120

Send me a character and a card of your choosing, and I'll make you your own custom tarot card!

Character designs- \$80

Give me a species and a theme, a color palette, and/or a moodboard and I'll design a character for you! The completed drawing will be a reference sheet including two drawings of the character's front and back, a closeup of the eyes, and the color palette. I'll also provide a mini Pinterest board of 3-5 outfits/accessories! You will own the character, and you are free to do as you please with it (change the design/rehome it/etc.), I only ask that you don't sell it for more than you paid for it.

Thank you so much for reading, and have an awesome day! <3
