

ANIMAL LIBERATION PARTY

The Animal Liberation Party is a group of individuals who stand against the capitalist status quo. We believe that freedom for animals can only come through an end to capitalism, to cease the exploitation of animals. We are for the liberation of all species.

Policies

- Strengthen restrictions for the killing of animals.
- Increase tenant protections.
- Increase restrictions on multinational corporations.
- Ban the use of fossil fuels.
- Enshrine the right to strike in Australian law.
- Preserve workers' penalty rates.
- Work to end all animal racing nationwide.
- Remove all animals from circuses.
- Work towards a personhood status for animals.
- Ensure fish are included in animal welfare legislation.
- Immediately ban yabby traps.
- Provide for the basic needs of bats and flying foxes instead of ostracising them.
- End the killing of kangaroos and wallabies for profit.
- Renationalise the big four banks, as was done under Prime Minister Drunk_King_Robert.
- Abolish the Goods and Services tax.
- Renationalise Medibank to keep the price of private insurers competitive, and expand it to include veterinarian and dental care.
- Restore universal and free healthcare, dental care and veterinary care to Australians and animals.
- Subsidise desexing services and mandate desexing for companion animals.
- Close down American military bases in Australia.
- Make it easier for people transitioning genders to receive the treatment they need to do so.

- Loosen restrictions on the purchasing of guns and firearms.
- Immediately ban duck and quail shooting nationwide.
- End the use of stray dogs and cats in animal research.
- End all development on land inhabited by koalas.
