

Oklahoma Student Government Association
2nd Session of the 44th Congress
April 25th - 27th, 2025

OSGA Resolution #SC25-006

Author(s): Asa Chambers (RSC)
Committee: Water

AS INTRODUCED

A Resolution demanding the Oklahoma State Regents for Higher Education and the Oklahoma State Government to fund and establish a Liger Breeding Program for campus morale and protection.

WHEREAS, college campuses severely lack large, majestic hybrid creatures to inspire awe, fear, and respect among students and faculty; and

WHEREAS, ligers (the superior offspring of lions and tigers) are scientifically proven* to boost campus spirit, enforce hallway etiquette, and reduce the number of people who block doorways for no reason; and

WHEREAS, a liger on campus would serve as a living symbol of strength, mystery, and "I don't have time for your drama today"; and

WHEREAS, Oklahoma students deserve not only education, but also access to extremely large cats with powerful vibes and the ability to chase off annoying skateboarders outside the library; and

WHEREAS, Napoleon Dynamite once said ligers are "pretty much [his] favorite animal," and honestly, who are we to argue with that kind of wisdom;

NOW, THEREFORE, BE IT RESOLVED BY THE OKLAHOMA STUDENT GOVERNMENT ASSOCIATION THAT:

1. The Oklahoma State Regents for Higher Education and the Oklahoma State Government shall be urged to establish a fully operational Liger Breeding and Deployment Program across all public colleges and universities, ensuring that at least one (1) liger patrols each major campus area by the year 2026.
2. A copy of this resolution be sent to the following individuals:
 - Savannah Alldredge, President of Oklahoma Student Government Association
 - The Oklahoma State Regents for Higher Education
 - The Oklahoma Department of Wildlife Conservation (they're going to be so confused)
 - The Tiger King (for consultation purposes)\Whoever's in charge of Animal Planet now

Reviewing Committee(s):

Water

Committee Recommendation:

NO RECOMMENDATION
