

Special Dietary Requests – DISNEY AND UNIVERSAL STUDIOS

DISNEY DIETARY REQUESTS:

The Walt Disney World food and beverage team is committed to offering a wide range of choices to accommodate Guests who require lifestyle dining options, as well as most specific requests from Guests with food allergies or intolerances. Note that in many cases, advance notice is required—usually at the time of your reservation. Whether dining at a table service restaurant or at a quick service restaurant, your desired dining requests will be addressed. Please call the Disney's Dining Reservation Center at (407) WDW-DINE or (407) 939-3463 to speak with a Cast Member. Guests under age 18 must have parent or guardian permission to call.

Food Allergies and Intolerances

Walt Disney World Resort table service restaurants that accept reservations can accommodate most food allergies and food intolerances—such as gluten or wheat, shellfish, soy, lactose or milk, peanuts, tree nuts, fish or eggs. Please contact one of our representatives at 407-824-5967 once you have booked your dining reservations, at least 14 days in advance. Guests under age 18 must have parent or guardian permission to call.

If you have multiple allergies, please contact one of our representatives before you finalize your trip to Walt Disney World Resort to discuss your allergies, as we cannot guarantee we will be able to meet your requests. Please note we do not have separate kitchens to prepare allergen free items or separate dining areas for Guests with allergies to dine.
