Welcome!
I'm glad you're interested in being in our show! BEMS does amazing, high quality shows that are wonderful opportunities to grow and make friends. Please follow the steps below to have a great audition experience.

- I do not cut anyone from the show. If you audition, you get in! (***As long as you have No "F" grades, and no "U" citizenship.)
- No one has to sing by themselves to get in the show. You audition with a group of 5. However, if you want to be considered for a lead part, you must sing/perform lines by yourself.

STEP 1:
Fill out an online audition form. Link available at behstheater.blogspot.com (or go to the school website and click on the Theater Blog Link!

STEP 2:
Sign up for your audition (starting Monday November 13th) outside of Mr. Brigg's choir room--just off the cafeteria.

STEP 3:
Learn the group audition song/dance "I'll Make a Man" . I will teach it at BUZZ time, or you can practice along with our choreographer Mrs. Bingham here:

LYRICS YOU WILL SING while doing the choreo: *"Time is racing toward us--til the Huns arrive. Brother stands with brother, and we will survive. We're prepared to face the rage of war and we know just what to do. I knew I'd...make a man...out of you!*

STEP 4:
If you want to be considered for a lead, we must hear you alone, so keep reading. If you don't want a lead, you don't need the following information. *Shan Yu, Chi Fu, Mulan's Mother, and the Matchmaker don't have to sing alone (those characters have no vocal solos).* All other leads would need to sing.

Select any of the lines below to audition with... *(***If you have an awesome audition, no matter who you read for, we might want to call you back for a different part--or the part you auditioned for. Just come in prepared,*

happy, and confident. Let us decide where you fit best!) but whatever you select, have the part memorized. Be confident, and try to "act"--not just stand there and talk or sing.

MULAN (female): (we will provide the "pen" prop, and will crow like a rooster when that part comes)
(Mulan's Bedroom. Mulan intently writes notes on her hand) If the Matchmaker wants admonitions, then admonitions she'll get. All these silly rules for becoming a perfect bride! Meek and mild. Why would anyone want a meek and mild wife? *(running out of room on her arm, Mulan attempts to write on her ankle but falls over)* Refined and ….whoa! Ouch! I think "poised" is overrated. Now, there was one more thing I needed to remember for the Matchmaker. Hmmmm...what was it? Was it tidy? No. What about a good sense of humor? That should be on the list… *(Mushu crows like a rooster)* Punctual! Oh no! I'm late!

SHANG (Male):
Prepare to fight. If we die, we die with honor. We are the only hope for the Emperor now. We must proceed to the Imperial Palace immediately. (to Mulan) Private Ping, you disobeyed orders...but you saved all of us. You will always have my trust. (to all men) Fall in, Men!

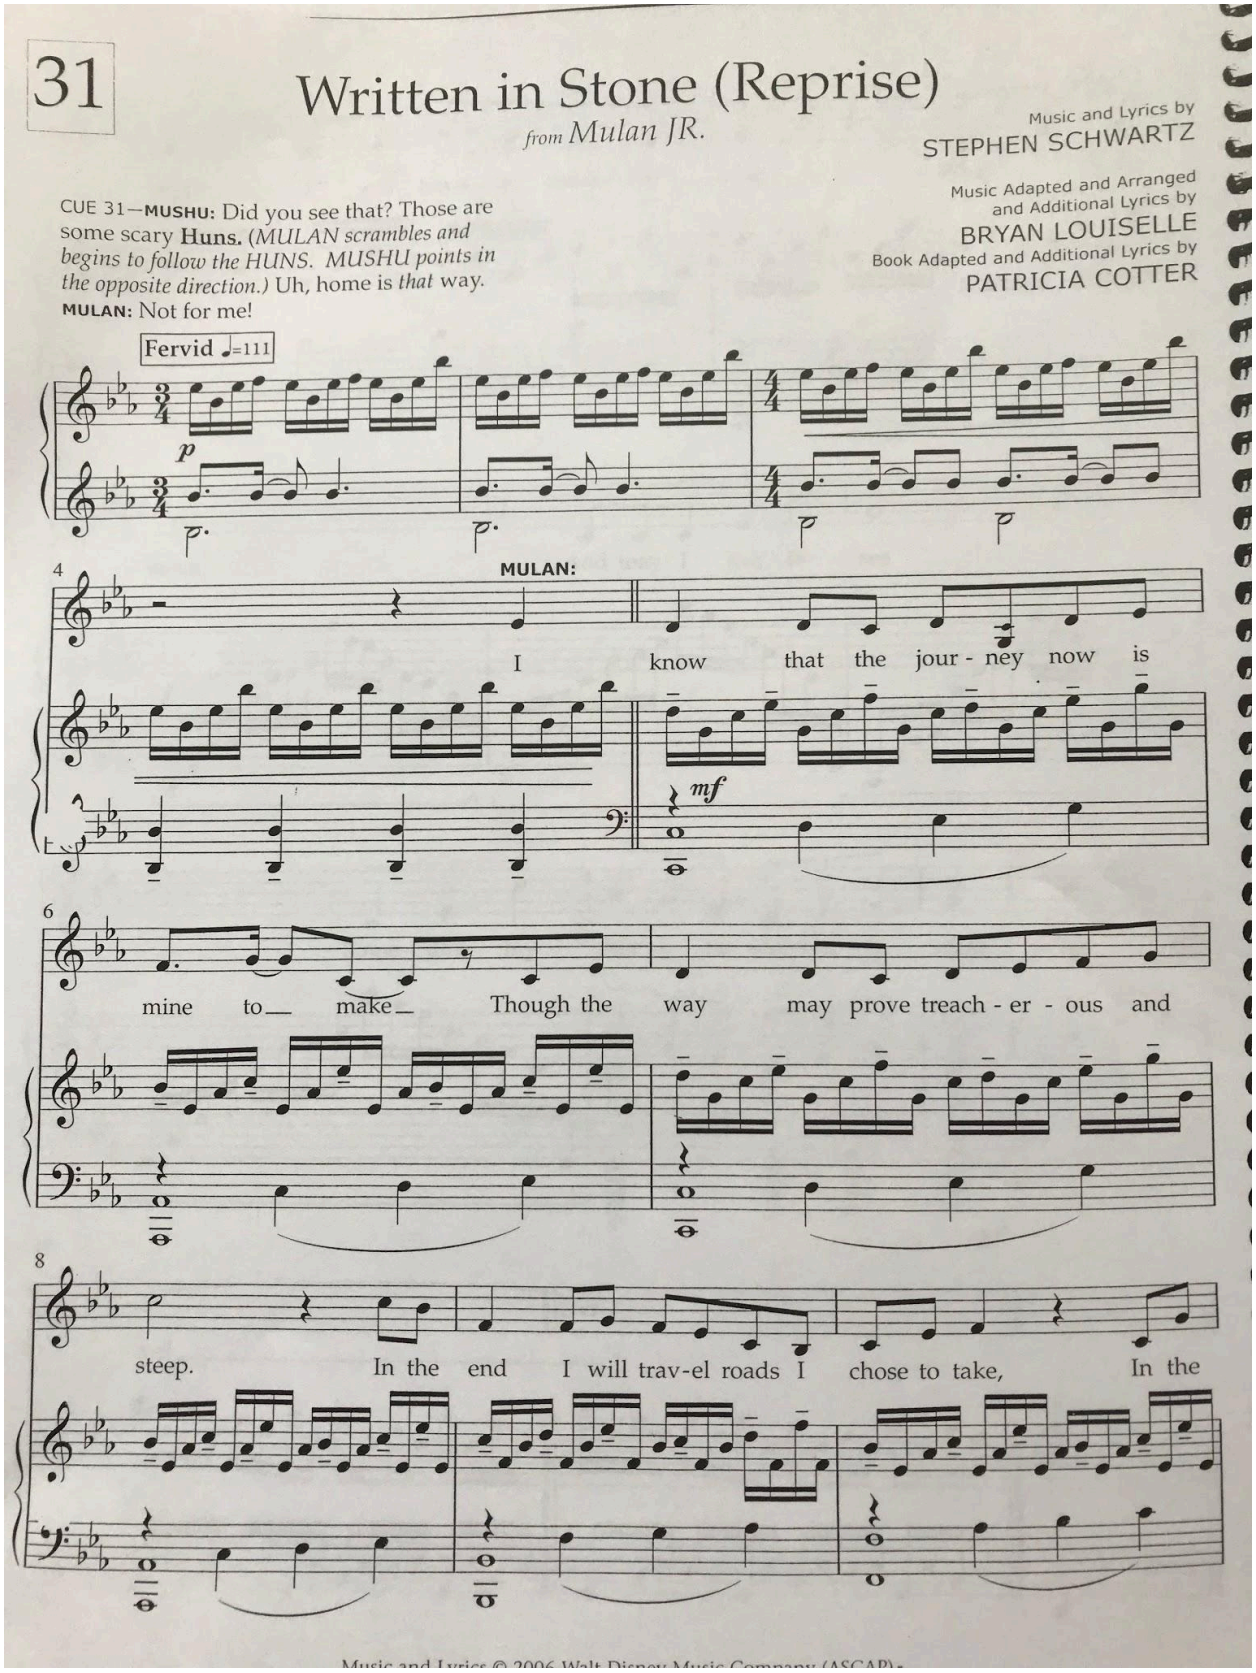

Ancestors (Male or Female):
If Mulan isn't chosen as a bride, that would be a great dishonor to the Fa family. There is no higher calling than for a woman to be chosen as a wife. For a young woman not to marry...that humiliation has never struck the Fa family before. I suppose there is a first time for everything.

MUSHU (Male or Female): **Mushu is sassy, funny and confident. Please bring your creativity and huge personality to this audition!**
Did you see that? Those are some scary Huns. They were popping out of the snow like daisies! *(sees Mulan leaving)* And where are you going? *(points in opposite direction)* Uh, home is <u>that</u> way. Oh no...you're not thinking of trying to save China still? Well, I guess we are in this together. All right. Let's go kick some Hunny-buns! *(war cry)* Eeeeeehaha!

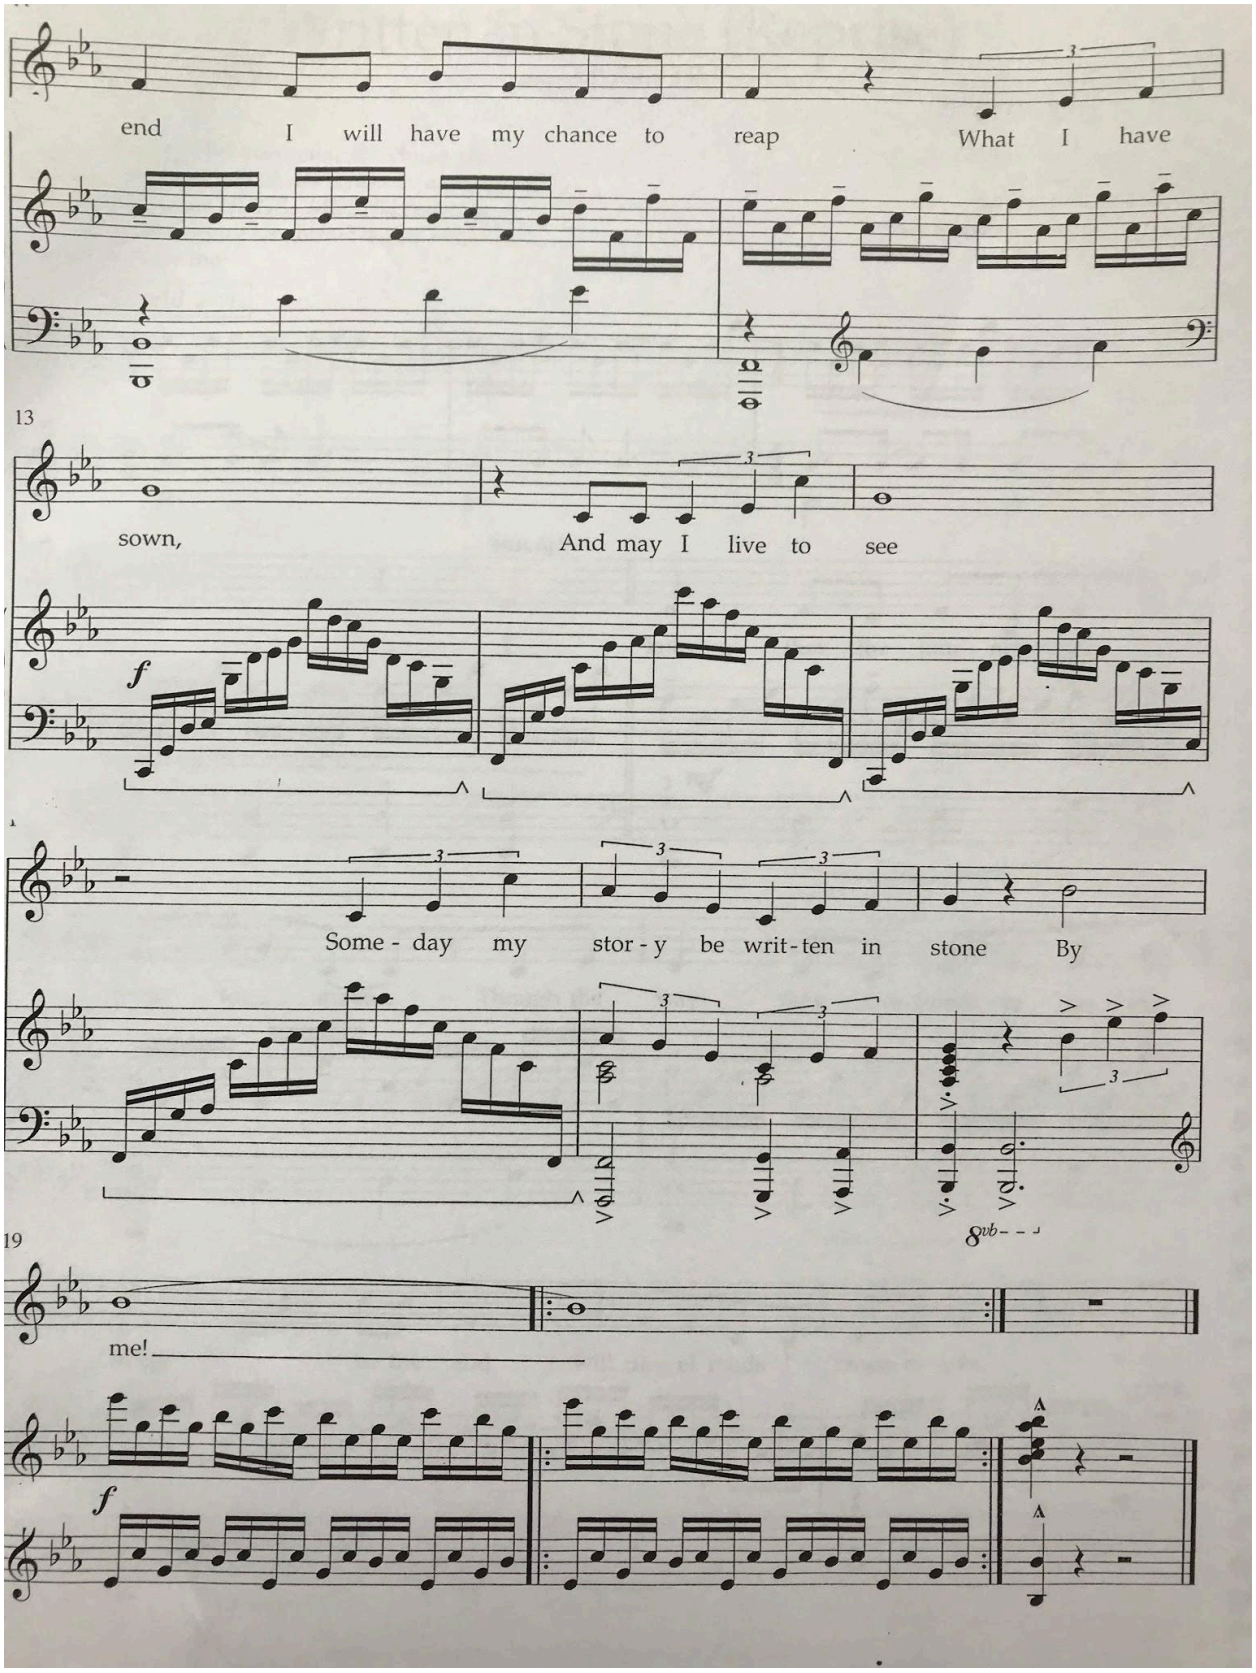

SHAN-Yu (male--mean, and scary!!)
Congratulations. You Chinese scouts have found the Hun army-- and have the great misfortune of colliding with me, Shan-Yu, Leader of the Huns! I will destroy you and anyone who gets in the way of my defeat of China! You think your pathetic Emperor can stop the Huns? We number in the thousands. Nothing will stop me. Your emperor basically invited me by building the Great Wall of China. He has challenged my strength. Well, I'm here to play his little game.
