

Welcome and welcome back to Wexford, Vikings!

Student Services Team

This quad, Student Services has 3 guidance counsellors to support students with their academic, post-secondary, or other questions/concerns. At this time, communication with your guidance counsellors will be done through e-mail or phone. Once the school year gets underway, we will roll out an appointment booking system through Google Calendar – stay tuned!

If you are in school and need a safe space, or if you need to speak to someone on an emergency basis, please go to the Main Office to let them know how we can support you.

- In a class without the prerequisite (e.g. in MPM2D1 but failed MPM1D1 last year)
- In a class that you already have the credit for (e.g. passed ENG1D1 in summer school and in ENG1D1 again)
- For Grade 12s, if your post-secondary plans have changed and you need to drop a class this quad please contact us. If you need new prerequisite courses for your post-secondary program, please e-mail us beginning September 28 for changes to Quads 2, 3, and 4 classes.
