

West Hills Middle School Intramurals Permission Form

Student's Name (Please Print) : _____ Grade: _____ Student Number: _____

We are starting an Intramurals Program at West Hills Middle School. This program is to help foster collaborative effort and get students involved in something new and interesting to them. Intramurals is not a club or competition driven program, rather we are focused on practice and introducing new skills to students. We will be offering a variety of different activities that will change throughout the school year.

Intramurals will start at 3:10 and go until 4:15 at least 2 days a week. Students can dress out into athletic wear if they would like, but it is not required. Students will not be able to participate in Intramurals if they are wearing any clothes that are not Dress Code approved. Students are required to wear closed toed shoes in the gym.

At the end of the Intramurals practice, students will help the coaches clean up any equipment and will change clothes if needed by 4:15. Students must be picked up from the school no later than 4:25.

Code of Conduct:

- Students will be kind and respectful to both the coaches/teachers and other athletes.
- Students will keep the gym and locker rooms clean and abide by school safe, respectful, responsible behavior expectations.
- Students will be respectful and safe with any equipment.
- Students will show sportsmanship and accountability during all activities.
- Students will listen to coaches/teachers and be open to learning and improving.

Jordan School District and West Hills Middle School does not provide or sponsor bus transportation in connection with certain or multiple activities. As a result, participation in intramurals is conditioned on arrangements being made for transportation both to and from the school.

My signature indicates permission for my son/daughter to participate in Intramurals (activities competed only within the student body). Furthermore, I understand and will adhere to all program rules and code of conduct.

I acknowledge that Jordan School District does not provide or sponsor transportation in connection with Intramurals and that the student, or the student's parent or legal guardian, will be responsible to arrange transportation for the student.
