AUTHORS' DECLARATION

All authors of the paper submitted to Journal of Community Medicine and Public Health Research (JCMPHR) entitled:

Declare and agree to all the below items, as proven by the signature of the corresponding author on behalf of all authors:

ETHICAL REQUIREMENT

The authors attest that full and informed consent was obtained from human subjects and that the work was performed by the humane and ethical research principles outlined in the [Declaration of Helsinki](#), [WAME](#), and [COPE](#) guidelines. In countries where institutional review is established, this statement also attests to the institutional approval of the protocol for all aspects of the investigation presented in a manuscript involving humans or animals.

CONFLICT OF INTEREST AND FINANCIAL SUPPORT

The undersigned authors agree that any financial interests of individual contributors in connection with this manuscript have been disclosed in the cover letter submitted through Manuscript Central. Sources of financial support for the project are named in the cover letter as well as in the acknowledgments.

DUPLICATE PUBLICATIONS

The undersigned author(s) certify that neither this manuscript nor one with substantially similar content under their authorship has been published or is being considered for publication elsewhere in any language. They also certify that any previous presentations of this paper in meetings are mentioned in the cover letter. AUTHORSHIP Author(s) attest that all persons designated as authors qualify for authorship, and all those who qualify are listed. All others who contributed to the work but are not authors (if any) are listed in the manuscript's acknowledgments. In the space marked "Contribution Codes" authors should mark those code letters from the box that designate their substantive contribution(s) to the paper.

Contribution Codes	Author's full name	Corresponding Author's Signature on behalf of All Authors

Contribution codes
A: Conception and design
B: Analysis and interpretation of the data
C: Drafting of the article
D: Critical revision of the article for important intellectual content
E: Final approval of the article
F: Provision of study materials or patients
G: Statistical expertise
H: Obtaining of funding
I: Administrative, technical, or logistic support
J: Collection and assembly of data.

On behalf of all authors involved in making the manuscript, the corresponding author must sign the statement sheet outlined by ICMJE, which can be downloaded [here](#). The authors should also attach ethical eligibility (ethical clearance) for original research from their institution or local authority and the [Patient Consent for Publication form](#) for the case study or case report. All authors must follow the [Guidelines for Authors](#) and the [Submission Checklist](#). The author(s) agree to the copyright and license terms of Journal of Community Medicine and Public Health Research (JCMPHR), which are [CC-BY-SA](#). All authors bear full responsibility for any consequences arising from the unjust publication of this manuscript and this statement.

On behalf of all authors,
Corresponding author,
