

\*This law allows Federal judges to order the chemical castration of repeat sexual predators that prey on children as part of their punishment. Currently California, Florida, Oregon, Wisconsin, Iowa, Louisiana, Montana, Georgia and Texas have laws like this one on the books.\*

**\*\*Section I. Short Title.\*\***

(a) This act may be referred to as “Sexual Predator Castration Act.”

**\*\*Section II. Chemical Castration.\*\***

(a) [Chapter 110 of title 18](<https://www.law.cornell.edu/uscode/text/18/2251>) shall be amended by adding the following after 2251e:

“§ 2251f.

(1) Any person who has 2 or more prior convictions under this chapter, chapter 71, chapter 109A, or chapter 117, or under [section 920 of title 10](<https://www.law.cornell.edu/uscode/text/10/920>) (article 120 of the Uniform Code of Military Justice), or under the laws of any State relating to the sexual exploitation of children, such person may be, before release, made to undergo medroxyprogesterone acetate treatment or its chemical equivalent.

(2) The person shall begin his treatment six months prior to his/her release from confinement and will continue treatment until deemed unnecessary by the Bureau of Prisons.

(3) If said person volunteers to undergo hormonal chemical treatment, deemed acceptable by the Bureau of Prisons as treatment for sex offenders, then he/she is not subject to this section.

(4) The Bureau of Prisons shall be tasked with administering this section and implementing protocols and policies necessary to carry this out. (5) These protocols must include, but are not limited to, informing the recipient of effects of any treatments carried out under this section.

(6) Licensed surgeons or physician may excuse themselves from taking part in this process.”

**\*\*Section III. Enactment.\*\***

(a) This law shall come into effect ninety days after its successful passage.
