## Starting price: \$10000

This landscape is filled with the warmth and breath of autumn. A beautiful pond is framed in the branches of an old park on the territory of William and Mary University in Williamsburg. A maroon bridge is reflected in the calm water. Leaves fall from the trees and lie in bright spots on the dark surface of the pond. A couple strolls serenely on the bridge, enjoying the beauty of nature.

Bids (please make sure to add a name or a nickname to the bid as an identifier):
