

2nd Grade - Parent Teacher Conferences 2024

Please select a time slot below for your child's parent-teacher conference. There is one conference time slot per child. You will meet with Mrs. DeMeyer or Ms. Sandy depending on which day you sign up to meet. Please note that we prepare meeting notes as a team for every report card and conference. All information shared will be from both teachers regardless of which teacher you meet with.

We look forward to discussing your child's progress with you.
