Students For Civic Impact: Dr. Magu & McClanahan 2025 Discussion Panels

1. How is the Middle East and the broader global community responding to the US military operation in Iran? How will US involvement have a lasting impact on the region?
2. What have been the effects of much of USAID being eliminated? What are the long term results that are likely to be seen with USAID's absence?
3. What conversations are taking place on the international level about the U.S. involvement with El Salvadoran prisons and human rights concerns?
4. What are the risks to democracy when the press is hindered—intentionally or unintentionally—from doing its job?
5. What should news outlets and advocacy organizations be doing to prepare and protect their reporters in high-risk situations?
6. How trustworthy is social media?
7. What do you do with statements on social media that sound incriminating?
