

Hi _____,

I recently stumbled upon _____ and upon looking at your profile on Clarity and would like to congratulate you. You've provided a great consultation service with lots of 5* Star reviews since 2017.

In a toxic industry plagued by fake gurus and scams, you're one of the only E-commerce consultants who provide positive advice and expertise to those looking to get into E-commerce.

With this being said I've noticed a few areas of improvement that I could contribute towards your efforts, one being a re-vamped sales page which I have attached below.

Let me know if this aligns with what you are trying to achieve.

How YOU can grow your business from top to bottom.

There's a reason why 199 of 200 startup businesses fail.

Whether its a lack of expertise, bad marketing, or failure to adapt

Today it is extremely difficult for a new or even an experienced business owner to make a profit

With so many ways to fail how does any business succeed?

The difference between a successful business and a failing business is KNOWLEDGE

With _____ ' 15+ years in business, he's developed the perfect strategies to ensure any business can thrive

With his expertise, you can learn some of those tips for yourself

His knowledge combined with your hard work will prime your business to beat your competition and allow you to grow your business to levels you've only dreamt of.

Combined with his straightforward way of speaking, anyone could do it!

Everyone knows a successful business is the first step towards achieving financial freedom.

Take the first step: [SCHEDULE A CONSULTATION CALL]

Kind regards,
Danish.
