Fishing may take place in the Gulf of Mexico, Bays, Bayous, rivers, marsh, ponds and/or lakes within 250 nautical miles from Panama City.

Method of Scoring- "Length" -Standard Measure (Nose to back of tailfin)

Leaderboards updated daily. Monthly Newsletter with leaderboards and monthly highlights, directions on how to register and log fish, FWC and the fishing club rules, updates, stories, etc.

How to Enter/ Register Fish and Regular Updates....

For each fish entry, email NBHE Principal Mike McLaughlin/ NBHCA Fishing Club Sponsor the following information 24-7: mclaum@bayhaven.org. If you have any questions you may also call/text me on my work cell at 850-630-6427.

- 1- Clear picture of the fish in front of the tape measure so the length of the fish is clearly visible (nose to back of tailfin- standard measurement).
- 2- Name of species of fish
- 3- Important: Your child's name, what division he/she is in, and name of your child's school.
- 4- Optional- Picture of you and your fish for our *Monthly Fishing Newsletter* - Important- if you send in pictures, just make sure the picture is appropriate for school and you are allowing me to share it in the *Haven Fishing Club Newsletters*.

Monthly updates and information will be communicated through our HFC Newsletter which will be emailed to you and your child along with frequent emails. Thank you and I hope you and your family have an amazing season- Mr. McLaughlin
