Principles of Human Services

This course will enable students to investigate careers in the human services career cluster, including counseling and mental health, personal finance, early childhood development, family and community, and personal care services.

Grades: 9th | Credits: 1

Child Development

This course addresses knowledge and skills related to child growth and development from prenatal through school-age children.

Grades: 10th | Credits: 1

Family & Community Services

This course allows students to develop and implement community and service-learning activities. They will also explore career options available that focus on family and community services through strategic partnering with local organizations.

Grades: 11th | Credits: 1

Instructional Practices

Provides students with background knowledge of child and adolescent development as well as principles of effective teaching and training practices. **Grades : 11th**

Practicum of Human Services

The practicum course is designed to give students an opportunity to enhance their previous learning by participating in a paid or unpaid internship in their chosen Human Service field.

Grades: 12th | Credits: 2-3

Practicum of Educational Training

Field-based internship that provides students background knowledge of child and adolescent development principles as well as principles of effective teaching and training practices. Students in the course work under an elementary teacher. **Grades : 12th**
