Families,

I hope this newsletter finds you healthy and well and I hope everyone had a well deserved break from school work. Perhaps you do not know, but since the dismissal, our kitchen has been delivering meals Monday through Friday to Charleston families. That did not stop during Spring Break. Thank you to the people who gave up their break to continue this service to our community. Since the school dismissal, our kitchen has created almost 2000 meals! Please help me in thanking them! Below are some reminders and happenings at CES.

Feedback form: If you have not already completed the feedback survey, we would love to hear from you! The link is <https://forms.gle/CCGwLYXaZLbCpynt6>. If you have any ideas on how we might make our process more efficient or helpful, we would love to hear them!

Returned Work/Library Books: Please check with teachers on how to submit completed paperwork. There is a box for work in front of the school. You can also use it to drop off borrowed library books. You can also request that library books be brought to you! The link to request books is <https://forms.gle/A5h5uVTPF1zpH2wQ6>. Please take the time to check our book catalog at <https://ces.mimas.opalsinfo.net/bin/search/searchPage> to ensure we have the book you are wanting.

Daily Attendance: The state AOE has directed that all schools take daily attendance during the school dismissal. This requires teachers to check in daily with all students. Trusting that your child is completing online work, or submitting paperwork electronically, attendance will be noted. If your child is not active online, we will plan to call home daily. Please help us ensure all students are completing work to minimize the impact of the school dismissal.

PreK Registration: It's that time of year again to start to plan for the upcoming school year. Unfortunately, due to COVID 19 we are unable to do preschool registration the way it has been done in the past. If your child will be 3 or 4 years old by September 1st and you are interested in registering your child for the 2020/2021 school year please call the school 802-895-2915 and be transferred to Elisabeth Thompson (preschool teacher) or email her at Elisabeth.thompson@ncsuvt.org. She will then place you on a mailing list. Packets will be mailed out that will include information regarding our program, how to access online registration, and other required forms for preschool.

In addition to registering online, you can also set up a time with Elisabeth via phone conference or google meet to do an introduction/question session. Normally there is a screening that also takes place, again due to COVID 19 we are not able to offer this at this time. It is our hope that we will be able to offer this at the end of summer/beginning of fall.

Please reach out to Elisabeth if you have any questions or concerns. We look forward to hearing from our future Mustangs!

Below is a list of upcoming events!

- May 8th Prek registration

If you have any questions, please do not hesitate to call the school, look on our website, or check out our Facebook page (<https://www.facebook.com/charlestonelementaryschool>). Teachers are happy to meet with you if you would like to set up a meeting with them anytime.

Sincerely,

Chris Lawson, Principal
