

Traffic Map for Grade 6

6th grade drop off will be outside of the back entrance of school, by the fields, at 8:20. ALL 6th graders, if driven to school, will enter via Cambridge Circle and take their first right towards the fields. Students will exit their cars at the drop off location (at the curve) which will be supervised by a staff member. Cars will continue on and exit out Avondale Rd (see map below for more details).

Students will then exit the vehicle and proceed to the black top/basketball court area. At 8:30, their first block teacher will let them in the building through their classroom door.

For dismissal, cars will follow the same traffic pattern as arrival. Students will leave their designated area and enter their car once it arrives. Then proceed out Avondale Rd.

**If you have siblings at Glenbrook, students should be dropped off and picked up at the location of the youngest sibling in the morning. The older sibling(s) will then walk to their grade level designated area. In the afternoon, the older sibling(s) will meet their youngest sibling at their grade level area to be picked up.*

***If students are riding their bikes or walking to school, they will proceed to their designated area, park their bike at the bike rack if a rider. For dismissal, Students who are riding their bikes or walking home will depart school grounds immediately.*

****If students are riding the bus, they will arrive down by the cafeteria. Once dropped off, they will walk to their grade level area to stand with their cohort. For dismissal, students will exit their grade level door(s) and make their way to the bus, which will be parked along the side of the cafeteria.*
