

Facilitator Tip Sheet!

Thank you for offering to facilitate a session.

Please remember, you **DO NOT have to be the expert**, you are **FACILITATING** a session.

Expectations of a Facilitator:

- Timekeeper
- Quick go around with name and experience level/grade level
- Keep discussion on track, no bird walking off topic
- Encourage conversation and sharing of experiences or questions that maybe others can help solve.

Conversation is dead?

- App sharing
- iDevice troubleshooting or management idea sharing
- Favorite thing about iDevices
- Scariest thing about iDevices
- etc..... you don't need to lead - just encourage!
