

FAITH FAMILY FOOTBALL

A MORNING WITH PHIL & DOROTHY

BY KEITH OSMUN

The members of the Savage family are used to being in the spotlight. Phil's wife, Dorothy, is a talented singer and actress on Broadway. And for those unacquainted with the NFL team the Cleveland Browns, Phil Savage is the general manager. Both are demanding occupations that cannot only add stress but distance between husband and wife as well. So how do they make it work?

Phil says the answer always comes down to Jesus. And that is the message he and his wife will be bringing with them to Church of the Open door on September 2.

He says, "Even though we (my wife and I) aren't together on a daily basis, God is at the center point of our relationship. It's gone a long way to helping us stay true to what we are called to do. I think we both feel our careers are where we are meant to be and she has been given a gift, a talent."
